

BIRDS & US: MIGRATION GAME

Leave this page blank in purpose

Bird: The light from buildings at night disoriented you and now you're lost!
Go back 1 place.

Human: The fumes from a factory in the suburbs of a city make you feel dizzy and you get lost.
Go back 1 place.

Bird: Watch out! You are flying through wind turbine fields and you almost got hit by one of the blades! Take your time getting across.
Skip your next turn.

Human: Careful! You reached a wire fence border wall. You will have to find another way to cross.
Skip your next turn.

Bird: It hasn't rained in a long time and the lake you were planning to stop at has dried up.
Go back 2 places to try to find a place to rest.

Human: It hasn't rained in a long time. You stop at a remote town to get some water but the water wells in town are dry. They had to pull the water to larger cities due to a shortage.
Go back 2 places to try to find a place to drink.

Bird: Good news! You found a field with plenty of food to restore some energy for the journey!
Move ahead 1 place.

Human: It's your lucky day! You found a field of fresh local vegetables. Fill up your belly with delicious healthy food for your journey!
Move ahead 1 place.

Bird: It's hunting season. You just entered a hunting ground by error and got shot.
Go back to the start.

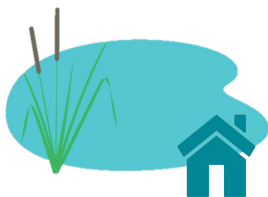

Human: You crossed another border and got caught by an immigration officer.
Go back to the start.

Bird: It's pouring rain and you don't want to fly.
Skip your next turn.

Human: It's pouring rain and your house is located on the river bank so it flooded.
Skip your next turn.

Bird: You found a wetland to rest at! Take a break and recharge, then move ahead 2 places.

Human: You found a safe house with clean food to rest! Take a break and recharge, then move ahead 2 places.

Bird: Bad news! You landed on a polluted wetland and got sick. You will need to recuperate before you can continue.

Skip your next turn.

Human: Oh no! You stopped in a small community to get some water but can't drink because their water is polluted because of a storm event.

Skip your next turn.

Bird: You made it into a wildlife refuge. Food, water and shelter is abundant. Take a rest day. You deserve it!

Move ahead 1 place.

Human: An elder from a remote community provides you with water and food for your journey and teaches you where to get more from.

Move ahead 1 place.

Bird: It's too hot and you can't fly. You will have to find a place to rest until the temperatures go down.

Skip your next turn.

Human: It's hot but you can't swim because a recent storm pushed all the trash into the water. You choose to stay and help clean it up.

Skip your next turn.

Bird: Yum! You found the perfect habitat to find your favorite food! Enjoy!

Move ahead 1 place.

Human: You find a farm along the way where you get to eat all the local produce of the season. Fill up your belly!

Move ahead 1 place.

Bird: You almost got caught by a predator and sprained your wing in the process. You need to rest before continuing your journey.

Skip your next turn.

Human: There is a thick fog and you can't see what's ahead of you. You trip on a rock and sprain your ankle. You will have to pause your trip until you recover.

Skip your next turn.

Bird: Strong winds play in your favour and help you speed your journey.

Move ahead 2 places.

Human: A hurricane is approaching and you look for shelter. The community you find doesn't have safe homes because they don't have enough resources. You will be trapped in a building for two days.

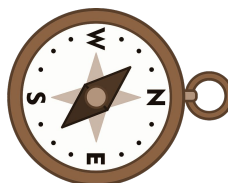

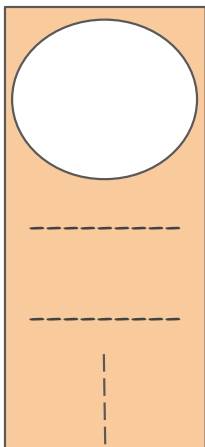

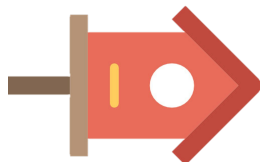

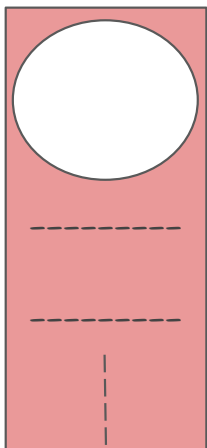

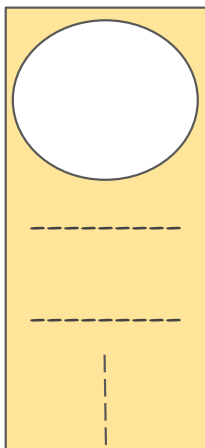

Move back 2 places.

Bird: Luck is on your side! You landed in a 5th grader's back-yard, with great habitat and a bird feeder full of delicious food!

Move ahead 1 place.

Human: You found people that offer you a place to stay for the night and some food for your journey ahead.

Move ahead 1 place.

Bird: A blizzard is approaching and the sudden strong cold winds disoriented you and now you're lost!
Go back 2 places.

Human: A blizzard is approaching and the sudden strong cold winds disoriented you and now you're lost!
Go back 2 places.

Bird: You accidentally drank from a pond with polluted water and got sick. You will need to rest before continuing your trip.
Skip your next turn.

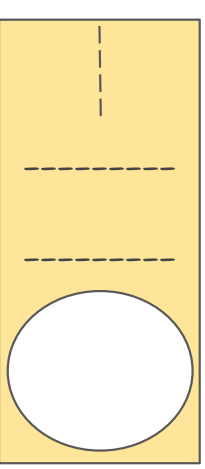

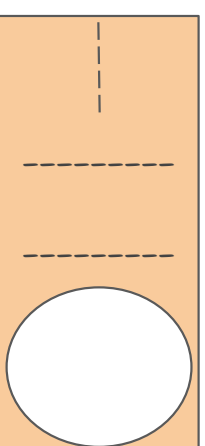

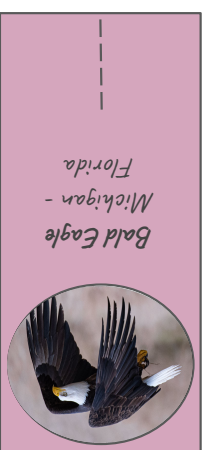

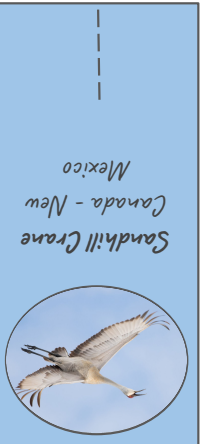

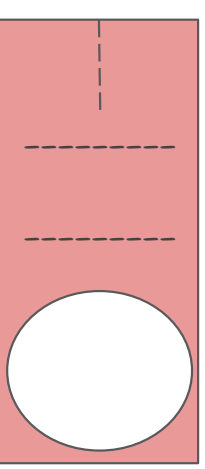

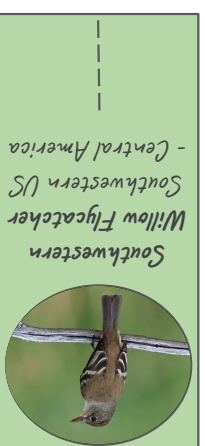

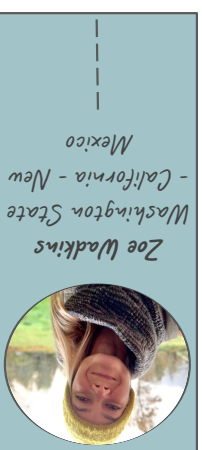

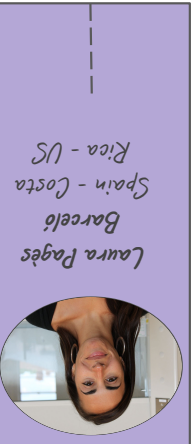

Human: You accidentally drank from a well with polluted water and got sick. You will need to rest before continuing your trip.
Skip your next turn.

Bird: Oh no! You got lead poisoning from your food. You will need to take a break until you are fully recuperated.
Skip your next turn.

Human: Oh no! You got lead poisoning from your food. You will need to take a break until you are fully recuperated.
Skip your next turn.

Bird: Congratulations! You found a bird house to rest for a bit and recuperate some energy.
Move ahead 1 place.

Human: Yay! You found a place to rest for a bit that has clean water, air and soil. Enjoy it!

For this spinner, use a pencil to punch a hole through the center and leave it part way through (you might have to use a piece of tape to keep it in place so it doesn't slide down). Twist the pencil to make the wheel spin. The number that touches the ground is the number of spaces you will move.
